

EXCLUSIVE \$50K-\$250K ZERO INTEREST FINANCING

Fund&Grow

Fund & Grow is proud to premiere our most comprehensive Business Credit Building Program to date. With our latest, value-added strategies and service based results, you will gain \$30,000 all the way up to \$150,000 in 0% Business Credit Lines within the first 30-45 days, as well as a one year business-building consulting membership that will allow us to create up to and over \$250,000 of 0% business credit for you.

A huge benefit to utilizing business credit lines is that none of the business accounts report to your personal credit, so any debt you carry will NOT count against your personal scores. No expensive shelf-corporation required. No tax returns or income verification. And the best part: this is unsecured credit – it's not tied to ANY assets.

Included Services:

- **One-on-One Comprehensive Business Credit Consultation with a Fund & Grow credit expert.** We will develop an individualized funding plan to maximize the credit building process.
- **\$250k of Business Credit using 0% Credit Cards, with most clients achieving \$50k-80k in the first month.** Fund & Grow will continue to work with you to increase liquid credit reserves up to and over **\$250,000**.

“Fund&Grow has helped save my businesses. I used a retired librarian as a credit partner and with the first batch we have over **\$120,000**. They under promised and over delivered! This all happened in less than two months and the first month I was finding my credit partner. This should be your first and last stop for building business credit.

SECOND BATCH UPDATE: My second batch is wrapping up and I now have **over \$200,000** in total 0% business credit and climbing! Fund&Grow is not just changing my business it is changing lives. Thank you!”
